The method used by Yeshiva Gedola Tiferes Yaakov Yitzchok to determine which students receive Emergency Financial Aid Grants and how much they would receive is based on the expenses for food, course material, equipment needed to participate in the educational program due to the disruption of campus operations, travel home expenses and health care related expenses which has been calculated at \$350 for a dependent student and \$1,500 for an independent student.

Students received the following instructions with their grants: "As per the CARES Act, these grants are to be used for expenses that are related to the disruption of campus operations due to COVID-19, including things like course materials and technology as well as food, housing, health care, and childcare."
